VOICE AND PRESENCE

OCTOBER 20, 2016

Are you a female student interested in enhancing your voice and presence? We offer you a workshop to develop your personal presentation skills even further. It will be held by Cristina Muderlak, who gives trainings to our female and male consultants throughout their careers at BCG—now you can benefit from her knowledge and experience!

It's not about what you can do to assert yourself in a male dominated environment, as we look at it from a different point of view. You'll train your voice, posture and communication skills to bring your best self forward, and feel self-confident during your next presentation or discussion.

This is an interactive workshop which includes numerous sessions that put theory into practice. You will also benefit from the use of a video camera which allows you to reflect on and learn from yourself.

If you are interested in this workshop, please upload your CV online at:
<http://on.bcg.com/voiceandpresence>

Application deadline: October 13, 2016

Please note that this is an all-day workshop followed by a relaxing dinner to network and exchange ideas. It is open to all female students in their third semester or higher.

We look forward to your application!
Your BCG Switzerland Recruiting Team
