Leonteq is an independent technology and service partner for investment solutions that covers the entire value chain of structured investment products. The company was founded in 2007 and has been listed on the SIX Swiss Exchange since October 2012.

Leonteq counts itself among the most innovative Fintech players with an international presence through offices in Zurich, Geneva, Monaco, Guernsey, Frankfurt, Paris, London, Amsterdam, Singapore and Hong Kong. Leonteq's business areas are divided in structured solutions services, pension solutions services and Platform Partners services.

Leonteq is vertically integrated and covers the entire structured investment services value chain from structuring to pricing, documentation, issuance, listing, settlement, risk management, market-making, lifecycle management and distribution.

Leonteq combines the most experienced teams of experts in the Structured Investment Products industry with a state-of-the-art, in-house built and automated IT infrastructure. Our ambition is to become one of the leading service providers in this sector. We focus on servicing our clients and partners across all areas of the firm.
